

CAPE COD and  
the ISLANDS CHAPTER  
**AMERICAN GUILD of ORGANISTS**

**March 2023**

---

Greetings!

As we begin the season of Lent, I take pleasure in remembering the term means “lengthening of days,” May your preparations for spring programs and Easter seasons be brightened by the lengthening days! Please join us for the Organ Plus Concert on March 12th. This concert will introduce the young instrumentalists and singers to the organ, as well as demonstrate the many possibilities of the organ as a collaborative instrument. Plan to attend this unique event and bring a friend!

Best wishes,  
Deb
